Annual Water Quality Report

Your 2017 *Consumer Confidence Report* covering 2016 is now available. This report is a snapshot of the quality of the water we provided last year. Included are the details about where your water comes from, what it contains, and how it compares to EPA and state standards.

The City of Goodland's annual water quality report online at www.cityofgoodland.org.

Please call 785-890-4500, if you would like a paper report delivered to your home.

The Elks and VFW invite the public to celebrate Flag Day at 5:30pm on June 14th, at Chamber's Park, weather permitting. If inclement weather, the ceremony will be moved to the VFW.

Happenings at the High Plains Museum

- June 2 @ 7:00pm - Kidder Massacre panel discussion
- June 22 - Weather Night (Families Welcome)
- June 26 - Weather Satellite Presentation
- July 3 @ 2:00pm - Presentation of Kidder Massacre Artifacts (Doug Whitson)
- July 3 @ 3:00pm - Kidder Massacre Reenactment at the Kidder Massacre Site

**An Earth and Space Exhibit will be on display

June-August

Understanding our Storm Sirens

Many citizens were taken off guard by the tornado sirens being sounded recently. This storm moved quickly and many were not prepared for the sirens to be activated.

Here is some information and guidance from Sherman County 911 Dispatch/Communications:

- *Sirens are tested by dispatch on the first Wednesday of every month at 11:45am. If there is inclement weather, it's delayed 1 week.
- *Sirens are sounded by dispatch if there is a tornado warning issued close to or within the city limits. If we receive a report from a citizen, we quickly report it to the NWS. With their guidance, we determine if the siren should be sounded.
- *Sirens are meant to warn only those who are **OUTDOORS**. Those who are indoors should stay abreast to weather changes by using local media sources.
- *What is your plan for warnings issued while you and your family are sleeping? Weather radios are sold at numerous retailers. They are inexpensive and can be customized to sound an alarm for certain types of warnings.
- *Wireless device apps can also serve as an alternate method of receiving alerts. Most news stations offer free apps with customizable alerts.
- *Public storm shelters are now available near the Sparks and Handy Towers on Cherry St.
- *As a courtesy, please do not call dispatch to ask why the sirens are going off. We do not take sounding the sirens lightly. If they sound, there's a valid reason. Refer to media outlets for updates regarding the storm. Thank you for understanding.
